

Dear Sponsors,

Since 2011, Hearts & Hope for Uganda has worked tirelessly to empower local communities and transform lives. As of today, we have 900 sponsored students attending school in 7 rural villages across Uganda. That means 900 lives are being transformed *thanks to sponsors like YOU* and we couldn't be more thankful!

As our sponsorship program grows, we are constantly evaluating opportunities for improvement. With market prices for food, supplies, and tuition rising each year, our past pricing no longer reflects the goals of our program to sufficiently support our students. **In an effort to continue providing the best services to our students, we are raising the price of primary sponsorships from \$29/month to \$35/month starting April 6th, 2020.***

For \$6 more per month, your student(s) and their schools will receive:

- Enhanced mentorship and holistic support from our local team thanks to more caseworkers & counselors
- Improved quality of uniforms & supplies, such as shoes made of sturdy leather instead of cloth
- More nutritious meals for school lunch, including at least one special meal per week
- Improved access to preventative medical care
- Exam and graduation fees to ensure they have the opportunity to advance to the next level
- Expanded school & community celebrations
- Expanded opportunities to connect with you

We could not accomplish these goals without the support of amazing sponsors like you and we have no doubt that together we can create a brighter future for the beautiful children of Uganda. We thank you for your continued confidence in our efforts and we look forward to a fruitful 2020 school year!

God's Blessings from the Team at Hearts & Hope!!!

* For those who have been giving annually, this change will not take place until your next annual renewal date.

We realize that some of our sponsors are already providing the maximum amount they can offer and we appreciate any support that is given! If you are unable to increase your giving at this time, please contact Sara at sara.owens@heartsandhope.org or 314-582-0005 to discuss maintaining your current rate.

For those of you that also sponsor students who are in our Advanced Program (Secondary, Vocational, and University), there is no pricing change for those students at this time. However, we are working with our staff, students, and the communities we work with to understand opportunities to improve our program. Stay tuned for an update later this year.
